

Introducing the fully automated desktop laminator that feeds, laminates and trims with the touch of a button. Foton 30 revolutionizes the way you laminate. Equipped with built-in auto feeder and trimmer, Foton 30 delivers automatic lamination - freeing up your time for other activities.

Hands Free Lamination

- Integrated 30 page sheet feeder with de-skew ensures documents are straight when entering the laminator.
- Load and Go operation! Foton starts automatically after warm-up.
- Three operation modes produce perfect quality lamination for most types of documents.

Easy Supply Loading

- Easy to load self-threading cartridge makes changing film simple.
- Pouch-Less Lamination! Never load a pouch again.

GBC® Foton 30
